Thank you Madeline, I have scheduled captioning. Can you send me the Zoom link once you have it. Also, can you confirm about how long you anticipate the meeting running as well as who is our contact should there be any issues?

Hello Jennifer,

We are hosting another virtual public hearing on December 2nd for the proposed Outer Continental Shelf (OCS) air permit for South Fork Wind, LLC offshore windfarm and are in need of a closed captioner for the hearing. Are you be able to provide another closed captioner for this occasion?

The public hearing will be at 7:00 pm EST on December 2, 2021. The hearing will be held virtually via Zoom.gov. More information regarding the public hearing and registration instructions are included on EPA's website at <https://www.epa.gov/caa-permitting/caa-public-comment-opportunities-region-1>.

Please let me know if you have any questions.

Thank you,
Madeline
